Region

Trentino-Alto Adige

Name

Pinot Bianco Trentino DOC

Description

Perfect as an aperitif and suitable for hors-d'oeuvres and light first courses. It is a great partner for freshwater fish.

Vineyard region

San Donà plot, south of the town of San Michele all'Adige.

Grapes

Pinot Bianco

Composizione suolo

Soil with mixed mineral content, alluvial origin, deep, fine loamy structure, good organic matter content, balanced content of nutrients.

Winemaking

White wine vinification process with short cold maceration of crushed grapes. Fermentation entirely in steel containers, left at length on the lees.

Tasting notes

Straw-yellow colour with green highlights. An extremely complex and varietal nose. It has a well-balanced and pleasantly acidulous taste. Initial nose sensations return consistently.

Alcohol gradation

13,5% vol.
